

enjoyed continuous growth since its introduction in 1998. Built around an advancement program with the Venturing Bronze, Silver, and Gold awards, Venturing grew to 233,858 members—a 15.7 percent increase. The number of Venturing crews increased 12.1 percent in 2000 to 17,684.

Learning for Life. Participation in this classroom- and workplace-based character education program continued to increase in 2000, growing 3.2 percent to 1,589,988 participants. More than 17,000 organizations nationwide used Learning for Life to help young people develop life skills, positive attitudes, values, and career awareness. New Jersey selected Learning for Life as a program of merit to be used in that state's new character education initiative.

Scoutreach. Scouting's coordinated effort to reach out to more urban and rural young people focused on the Hispanic market in 2000. New Spanish marketing materials and training aids were developed along with a number of bilingual publications designed to make Scouting programs more accessible to Hispanic youth and their families. The esteemed Whitney M. Young Jr. Service Award was bestowed upon 148 volunteers—the largest number of recipients in the history of the award.

#### AMERICA'S PROMISE—THE ALLIANCE FOR YOUTH

In 1997, the Boy Scouts of America pledged 200 million hours of service to America by our youth membership by the end of 2000. We are pleased to announce that we have surpassed that objective by completing more than 214 million hours. As part of this effort, members of Scouting's national honor society, the Order of the Arrow, performed more than 2,000 hours of service in Yosemite National Park. Scouts in New Orleans participated in Good Turn fairs in which they performed services for the community including removing graffiti and restoring playgrounds. The BSA's involvement in this worthwhile effort represents its commitment of service to our nation as expressed in the Scout Oath and Law.

#### PREPARING FOR THE FUTURE

Strong leadership has always been a hallmark of Scouting. In this tradition, this past year our National Executive Board selected Roy L. Williams as the Chief Scout Executive. In May, Williams will introduce a strategic plan for 2002–2006 that targets five issues critical to the future of the Scouting movement. Those issues are traditional

membership and unit growth, total financial development and stewardship, marketing and strategic positioning, leadership, and Scoutreach. By addressing these key issues, the BSA will ensure that its values-driven programs will be around for generations to come, and will continue to reach out to share America's values with today's youth, tomorrow's leaders.

#### TRIBUTE TO COMMUNITY HOME HEALTH AND HOSPICE

##### HON. DALE E. KILDEE

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 15, 2001

Mr. KILDEE. Mr. Speaker, I am honored to rise before you today to recognize a group of people committed to protecting and enhancing human dignity. Community Home Health and Hospice, located in my hometown of Flint, Michigan, is a private nonprofit organization that has been serving patients throughout Genesee County and other surrounding communities for 20 years.

Since 1981, Community Home Health and Hospice has been the only local community based program providing health care to homebound patients and home care for those facing the end of life. They provide physicians, nurses, home health aides, social workers, chaplains, and many volunteers who selflessly donate their time and resources to give physical, emotional, and spiritual support to patients as well as their families. They also supply physical, occupational, and speech therapy, dietary counseling, transportation, and bereavement support.

Community Home is licensed by the State of Michigan and is accredited by the Joint Commission on Accreditation for Health Care Organizations. They are also certified by Medicare, Medicaid, and Blue Cross Blue Shield. Their building, a \$3.5 million 19,000 square facility, ensures that the terminally ill receive comprehensive, cost-effective healthcare, and that they are granted the opportunity to live the remainder of their lives in a familiar and comfortable home-like setting.

Mr. Speaker, Community Home fully understands the hardships families face when a loved one nears the end of their life. In many situations, patients and their families would prefer to face the end of life at home, and the decision to seek outside care is truly difficult. However, I am happy that there is a place like Community Home Health and Hospice, where they may live in comfort and dignity.

##### HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Thursday, March 15, 2001

Mr. VISCLOSKY. Mr. Speaker, it is my distinct pleasure to announce that the Hammond

Sports Hall of Fame's 15th Annual Induction Banquet will be held tonight, March 15, 2001, at the Hammond Civic Center, in Hammond, Indiana. Eleven individuals, all of whom attended high school in Hammond, Indiana, will be inducted into the Hammond Sports Hall of Fame. The new members of the Hall of Fame include: Mike Bradburn, Bob Bradtke, Allison Buell, Donald Clark, Ray Cross, Rudy T. Foltz, Terry Irl, Hal Morris, Kurt Nondorf, Frank P. Staucet, and Bob Wilson, Sr.

Mike Bradburn, a current resident of Chester, California, graduated from Hammond Morton High School in 1963. While at Morton, Bradburn was an outstanding athlete, participating in football, wrestling, and track and field. In football, what this speedy, hard-driving fullback lacked in size, he made up for in grit and determination. He played on the Governors' 1961 state championship squad and earned all-state honors the following season. He continued his football career at Northwestern University, from where he graduated in 1957.

An outstanding basketball and baseball player at Bishop Noll, Bob Bradtke graduated in 1956. Prior to moving to Lansing, Illinois, where he currently resides, Bradtke coached at Bishop Noll, Whiting and Gavit. As a basketball player at Bishop Noll, he was an all-state guard that teamed up with Oscar Robertson and fellow Hammond Sports Hall of Famer Frank Radovich on the Indiana all-star squad that played the Kentucky all-stars. On the baseball diamond, Bradtke played virtually all positions. He continued his career in college as a basketball player at Notre Dame, where he was a two-year letter winner before graduating in 1960.

Current resident of Hammond, Indiana, Allison Buell, became the first female athlete from a Hammond high school to qualify for the state finals in a field event. Buell was an outstanding high jumper and long jumper at Clark High School, where she graduated in 1988. While in college, Buell competed in the high jump at Cornell University, before transferring to Columbia College, from where she graduated with honors in 1996. As a junior, this Clark valedictorian placed third in the high jump at the state meet, then returned home to help the Lady Pioneers softball team win a sectional title the next day.

The late Donald L. Clark had an outstanding wrestling and football career. After graduating from Clark High School in 1952, Clark attended Purdue University and joined the wrestling team. In 1957, Clark graduated from Purdue with academic honors he then embarked on an outstanding career in education and coaching. As wrestling coach at Hammond High, he directed the Wildcats to back-to-back state championships in 1962 and 1963.

Longtime Hammond, Indiana, resident Ray Cross, will also be inducted into the Hammond Sports Hall of Fame. While at Hammond High, Cross played running back and defensive back on their 1960 state football championship team, earning Chicagoland All-Star Team honors, as well as a scholarship to West New Mexico University. Cross was a versatile player and signed as a free agent with the Atlanta Falcons of the National Football League, but his career was cut short by a knee injury. He then returned home, where he embarked on a
